EURO-EUS 2025 **THE TRAINING DAY**

Milan, San Raffaele Scientific Institute, 6-7 March 2025

Dear friends and colleagues,
welcome back again to Milan, San Raffaele Scientific Institute for EURO-EUS 2025

This year we will continue our tradition to focus our didactic purpose on another hot topic and related unmet needs: EUS-TRAINING and to give a comprehensive evaluation of this we will involve old and new friends and our worldwide renowned faculty during three days of intense activities.

The first day of the meeting, as always, we have organized two sessions of hands-on training course with the possibility to try all the most important devices and EUS systems available on the market.

Then we have organized two days of deep immersion in live cases from the PancreatoBiliary Endoscopy and Endosonography Unit of the Pancreas Center of San Raffaele Scientific Institute and with live connections from the very best EUS Centers all over the world. We will cover Europe, Africa, Asia and the Americas.

The discussion about Training will involve first the NEXT Generation EUS Group that, during the first day of the meeting, will complete the Consensus process that has begun in Milan during EUSITALY 2024 and continued in an interim meeting during UEGW in Vienna. The final proposals of the Consensus will be discussed in 4 sessions together with the experts and the delegates during the 2nd and 3rd day of the meeting.

We are continuing our cooperation with Women in Endoscopy (WIE) to support worldwide awareness on women role and importance in endoscopy and this year we will invite other super-expert women in our faculty.

So on behalf of EURO-EUS Executive Board with my friends Julio Iglesias Garcia and Erwin Santo, we are looking forward to welcome you in Milan on 6-7 March 2025!

NEXT GENERATION EUS

MARCH 5TH 2025

25

Course Coordinators: *Livia Archibugi, Matteo Tacelli*

08.30 Registration of Participants

09.00 Welcome and Presentation of the Day
L. Archibugi, M. Tacelli

09.05 **Clinical Session Pancreatic Cysts**

Moderators: C. Binda, Y. Dominguez-Novoa

09:05 Case 1: D. De La Iglesia-Garcia

09.20 Case 2: G. Rizzatti

09.35 Lecture: *Was it right to reassess the role of EUS in IPMN based on the Kyoto 2024 guidelines?*

Tandem Talk: D. Tamburrino, D. De La Iglesia-Garcia

10.00 **Clinical Session Pancreatic Adenocarcinoma**

Moderators: D. De La Iglesia-Garcia, G. Rizzatti

10.00 Case 1: C. Binda

10.15 Case 2: Y. Dominguez-Novoa

10.30 Lecture: *Can we consider endoscopic ultrasound a game changer in PDAC today?*

Speaker: M. Spadaccini

11.00 Coffee Break

11.30 **Clinical Session Pancreatitis**

Moderators: S. Stigliano, D. Tabacelia

11.30 Case 1: *Acute Pancreatitis*, D. Tabacelia

11.45 Case 2: *Chronic Pancreatitis*, S. Stigliano

12:00 Lecture: *The therapeutic role of EUS in acute and chronic pancreatitis*

Speaker: K. M. Pawlak

12.20 **Clinical Session Biliary Neoplasms**

Moderators: D. Ligresti, A. Lisotti

12.20 Case 1: D. Ligresti

12.35 Case 2: A. Lisotti

12.50 Lecture: *The role of endoscopy in biliary strictures in light of the new ESGE 2024 guidelines*

Speaker: P. Gkolfakis

13.10 Lunch Break

14.00 **Clinical Session Screening for Pancreatic Cancer**

Moderators: M. Signoretti, L. Archibugi

14.00 Case 1: L. Archibugi

14.15 Lecture: *Who decided on screening protocols and based on which studies?*

Speaker: M. Signoretti

14.35 **Clinical Session Therapeutic EUS**

Moderators: G. Vanella, B. Martinez Moreno

14.35 Case 1: F. Frigo

14.50 Case 2: E. Tenorio González

15.05 Lecture: *New frontiers of therapeutic EUS: what should we expect in the near future?*

Speaker: R. van Wanrooij, (on Line)

15.20 Lecture: *My personal training course in diagnostic and therapeutic EUS: is it a standardizable path?*

Speaker: B. Martinez Moreno

15.35 **LECTURE** Crossing the Rubicon: from clinical practice to effective paper writing, networking and consensus building
Speaker: S. Baraldo

15.50 **NGEUS Consensus Conference on Training in Endoscopic Ultrasound**

Coordinators: M.Tacelli, L. Archibugi, G. Vanella, P. Zaccari, A. Facciorusso

HANDS-ON TRAINING COURSE

MARCH 5TH, 2025

25

6 fully equipped EUS Stations will be available and run under supervision of a selected Team of Trainers who will guide the participants through all the Stations. The hands-on activity will cover all the topics of diagnostic and therapeutic Echoendoscopy .

Different set of animal models and training models will allow the participants to perform an extensive hands-on training program on:

EUS-core biopsy, Pancreatic Cyst FNA, FNA of solid lesions (pancreatic mass, liver mass and lymph node), Pancreatic pseudocyst drainage (with plastic stents and LAMS stents), EUS fiducials, RFA

All the state of the art EUS instruments will be available to try during the sessions.

MORNING SESSION

08.30 Registration, course presentation and rules

P.G. Arcidiacono, G. Rossi, P. Zaccari

Assignment to Trainers: 6 groups of 4 people each will be created with one Trainer

08.45 Hands-on training with rotation of all the participants on each station with different topics to be used

12.45 End of the course

AFTERNOON SESSION

13.30 Registration, course presentation and rules

P.G. Arcidiacono, G. Rossi, P. Zaccari

Assignment to Trainers: 6 groups of 4 people each will be created with one Trainer

13.45 Hands-on training with rotation of all the participants on each station with different topics to be used

17.45 End of the course

Trainers: *Cecilia Binda, Daniel De La Iglesia Garcia, Yessica Dominguez Novoa, Paraskevas Gkolfakis, Andrea Lisotti, Gianenrico Rizzatti , Marianna Signoretti, Serena Stigliano, Roberto Grassia, Belen Martinez Moreno, Vincenzo Mirante, Marco Spadaccini, Chiara Coluccio, Niccolò Bina, Rubino Nunziata, Daniele Arese, Dario Ligresti, Daniela Tabacelia.*

GUIDELINES for SPEAKERS

Speakers should deliver and view/check their PowerPoint presentations at the Slide Center.

Presentations must be prepared in PowerPoint (MS Windows) and provided on a USBremovable

drive. Macintosh presentations cannot be accommodated, unless saved to a PC-formatted USB stick.

To avoid any delays, speakers are kindly requested to hand in their PowerPoint presentations on an electronic support (USB).

The use of personal laptops for presentations in the session is strictly prohibited. Protection of copyright will be guaranteed.
